◀ Respect Life News ▶

“Human persons are not to be understood merely from the perspective of their past histories or from . . . the present . . . We must always see in other human beings persons with whom we shall one day share God’s joy. We must look upon them as persons who are called, together with us, to be members of the body of Christ, with whom we shall one day sit at table with Abraham, Isaac, and Jacob, and with Christ himself, as their brothers and sisters, as the brothers and sisters of Christ, and as children of God. –Pope Benedict XVI, “In the Beginning . . .”, p.49

"Priesthood 101" During this Year for Priests

Pope Benedict XVI has proclaimed this the "Year for Priests". This Year is meant to benefit our priests, but it is also meant to benefit us, the laity. Our priests give their lives for us – their lives are literally spent in service to us. Therefore, a Year dedicated for them is also for us.

During this special Year, treat yourself to some basic information about the priesthood – you'll be glad you did! Stay tuned for Lesson #1!
